

I Want to Wake up with You

John Holt

I wanna wake up with you
I wanna be there when you open your eyes
I want you to be the first thing that I see
I wanna wake up with you

I wanna lay by your side, baby
I wanna feel every beat of your heart
And throughout the night I wanna hold you tight
I wanna wake up with you

All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that I've been keeping, baby
You can put the music to my song

I wanna wake up with you
I wanna reach out and know that you're there
I want you to be the first thing that I see
I wanna wake up with you

And throughout the night I wanna hold you tight
I wanna wake up with you

All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that I've been keeping, baby
You can put the music to my song

I wanna wake up with you
I wanna be there when you open your eyes
I want you to be the first thing that I see
I wanna wake up with you

I wanna lay by your side, baby
I wanna feel every beat of your heart
And throughout the night I wanna hold you tight
I wanna wake up with you

All the love inside me has been sleeping
Waiting till the right one came along
You can share the love that I've been keeping, baby
You can put the music to my song

I wanna wake up with you
I wanna reach out and know that you're there
I want you to be the first thing that I see
I wanna wake up with you

And throughout the night I wanna hold you tight
I wanna wake up with you
