

It May Sound Silly

John Holt

It may sound silly for me to say this
After the way you broke my heart
But I still love you
Although we are apart
It may sound silly
To say I miss you
I must confess that this is true
I want you only, 'cause no one else will do
The day we quarreled and you left me
Before you walked out through the door
I wanted to tell you that I miss you
But my pride wouldn't let me tell you so
It may sound silly but if you phone me
And ask forgiveness for doin' me wrong
It may sound silly
But I'd be waiting with open arms
The day we quarreled and you left me
Before you walked out through the door
I wanted to tell you that I miss you
But my pride wouldn't let me tell you so
It may sound silly but if you phone me
And ask forgiveness for doin' me wrong
It may sound silly
But I'd be waiting with open arms
Darling Darling Darling
