

Let Your Love Flow

John Holt

There's a reason for the sunshine sky
There's a reason why I'm feeling so high
Must be the season when that love light shines all around us.

So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the summer nights with your lover.

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean, it's the season

Let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean, that's the reason

There's a reason for the warm sweet nights
There's a reason for the candlelights
Must be the season when those love rites shine all around us.

So let the wonder take you into space
And lay you under its loving embrace
Feel the thunder as it warms your face you can't hold back.

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean, it's the season
