

## Riding For A Fall

John Holt

Someday somebody will make you cry  
Then you'll gonna have tears in your eyes  
Go ahead and have your fun girl  
'Cause you know I'm still in love with you girl  
Go ahead and have yourself a ball  
You're riding for a fall  
You're riding for a fall  
Someday somebody will break your heart  
Then you'll gonna wish that we had never part  
Go ahead and have your fun girl  
'Cause you know I'm still in love with you girl  
Go ahead and have yourself a ball  
You're riding for a fall  
You're riding for a fall  
Go ahead and have your fun girl  
'Cause you know I'm still in love with you girl  
Go ahead and have yourself a ball  
You're riding for a fall  
You're riding for a fall  
Go ahead and have your fun girl  
'Cause you know I'm still in love with you girl  
Go ahead and have yourself a ball  
You're riding for a fall  
You're riding for a fall  
You're riding for a fall
