Stealing, Stealing

John Holt

Hit bomb!

Ahh ah ah (4x)

I've got love
Within my heart for you, you
I've got lips
With kisses from the start

Look 'ere now...

It really makes no difference
Without money I know
It really makes no difference
I've got love I know

Easy squeeze it makes no riot
If you know it gonna hurt to play it cool

Easy squeeze it makes no riot
If you know it gonna hurt to play it cool

(Instrumental)
Mmmmhmmm

Ow!

Rock you rock you rock
Rock on time! (3x)
(Whoa, whooah, whooah, oh yeah!)

I've got love for each and every one
Everybody know this
I love you, I love you

Easy squeeze it makes no riot if you...
Just play it cool

It really makes no difference
Without money I know
It really makes no difference
I've got love I know
I'm gon' play it cool

I've got love
Within my heart for you, and-a you, and-a you, yeeeahh! Ohh.

Rock you rock you rock
Rock on time!

(You've got to keep on rocking and rocking)

Rock you rock you rock
Rock on time!

(Remember play it cool)

Rock you rock you rock
Rock on time!

(You've got to play it cool)

Rock you rock you rock
Rock on time!
