

Touch Me in the Morning

John Holt

Touch me in the morning,
Then just walk away.
We don't have tomorrow,
But we had yesterday.

Wasn't it me who said nothing goods gonna last forever?
And wasn't it me who said
Let's just be glad for the time together?
It must've been hard to tell me,
That you've given all you've got to give.
I can understand you're feeling that way,
Everybody's got their life to live.

Well, I can say goodbye in the cold morning light,
But I can't watch love die in the warmth of the night.
If I've got to be strong,
Don't you know I need to have to fight when you're
gone?
Till you go I need to lie here and think about,
The last time that you'll touch me in the morning..
Then just close the door, close the door,
Leave me as you found me, empty like before.

Wasn't it yesterday, we used to laugh at the wind
behind us?
Didn't we run away and hope,
That time wouldn't try to find us?
Oh, didn't we take each other,
To a place where no one's ever been?
Yeah, I really need you near me tonight,
'Cause you'll never take me there again.
Let me watch you go with the sun in my eyes,
We've seen how love can grow, now we'll see how it
dies.

If I've got to be strong,
Don't you know I need to have to fight when you're
gone?
Till you go I need to hold you until the time,
Your hands reach out and touch me in the morning.
Then just walk away.
We don't have tomorrow, no, but we had yesterday, yea.
Common, common and touch me in the morning time,
Then just walk way..
