Which Way You Going Baby

John Holt

Which way you goin' baby?
Can I go to?
Which way you goin' baby?
Can I go with you?
I really love you baby, and all this time,
I thought you loved me baby, and you were mine.
I'm going to miss you baby, and though I'm trying.
I'm hurting so bad, baby, I can't help but cry.

You are my own, babe,
My heart and my soul, babe.
I'd have nothing to show, babe,
If you should go away.
You are my own, babe,
My heart and my soul, babe.
I'd have nothing to show, babe,
If you should go.

Which way you goin' baby? Oh, need I ask.
Because you don't want me baby, you're free at last.
I won't forget you baby, for all my life.
I'll always love you, baby,
Just stay alright.

You are my own, babe,
My heart and my soul, babe.
I'd have nothing to show, babe,
If you should go away.
You are my own, babe,
My heart and my soul, babe..
