

A New Leaf

John Lee Hooker

The 19 and 62 baby, turn a brand new leaf
19 and 62, was turn a brand new leaf
All of '61, baby, I lived so bad
Stay at home, live like a good guy should
Stay at home, and live like a good guy should
But treat you right, baby

Be in bed at 9 o'clock
Ain't gonna drink no more
Run around on you no more
Ain't gonna drink no more, baby
Or run around on you no more
19 and 62, turn over a brand new leaf, yes yes
