

## Apologize

John Lee Hooker

Yes, I come to you baby  
Babe, I wants to 'pologize to you  
Yes, I come to you baby  
I want to 'pologize to you  
Forgive me darlin'  
Let me come back home again

I know I done wrong, Baby  
Baby, I wants to come back home  
Well I know I done wrong, Baby  
Babe, I wants to come back home  
Well, I 'pologize, Baby  
Babe, I sure won't do wrong no more

I wanna tell you, Baby  
Baby, just how I miss you so  
Oooooooo, Babe  
Baby, just how'd I miss you so  
Didn't I just (been-?) so long and lonesome, Baby  
Baby, since you been gone away

Yes, I 'pologize, Babe  
Baby, let me come back home  
I want to come back home, Baby  
Babe, I won't wrong no more
