

Find Me A Woman

John Lee Hooker

How long, how long, baby
Must I live on and be your slave?
How long, how long, baby
Must I live on and be your slave?

Yeah, you don't do nothin', baby
Threw all my money 'way

I'm gonna find me a woman, yes, yes, yes
To help me reach my goal
I'm gonna find me a woman
To help me reach my goal

Lord ? beside me
Man in heaven help me reach my goal
Yes, I work so hard for you, baby
Too tired to satisfy your worried mind

Well, you don't do nothin', baby
Long ago, my money 'way
