

# That's Alright

John Lee Hooker

Hmm, hmm  
Lord, Lord, Lord, Lord, that's alright, babe  
That's alright, that's alright, babe  
I know you done me wrong, baby,  
But that's alright

As the years go passing by,  
I keep on loving you, baby  
Lord, Lord, Lord, Lord,  
I keep on lovin' you, baby

Hmm, hmm  
You done me wrong, baby,  
But I forgive you, baby  
You, you, you done me wrong baby,  
Done me wrong, baby,  
But I, I, I forgive you, forgive you

Now come home, come home, come home,  
Come on back home to me, baby  
That's alright, baby, that's alright, that's alright  
Look now people, when you love a woman,  
You know she's doing you wrong  
But love is blind, love is blind, love is blind  
Used, used, used,  
You know you been, you know you been used  
But that's alright, that's alright, baby

Hmm

Lord, Lord, Lord, Lord, Lord  
That's alright, baby, that's alright  
You did me wrong babe, did me wrong,  
But I'll keep on lovin' you  
Keep on, keep on, keep on, keep on  
As the years, years go passin' by, passin' by  
Babe, babe, babe, baby  
As the years, go, passin' by,  
I love you, I love you more and more

Hmm

But that's alright, that's alright, that's alright, that's alright

Thank you
