

By Your Side

John Legend

Oh, oh-oh, oh, oh

You think I'd leave your side, baby
You know me better than that
You think I'd leave you down
When you're down on your knees
I wouldn't do that
I'll tell you you're right when you aren't
And if only you could see into me, oh, oh-oh, oh, oh

Oh, when you're cold
I'll be there
Hold you tight to me

When you're on the outside, baby
And you can't get in
I will show you
You're so much better than you know
When you're lost and you're alone
And you can't get back again
I will find you
Darling, and I will bring you home
And if you want to cry
I'll be there to dry your eyes
And in no time, you'll be fine

You think I'd leave your side, baby
You know me better than that
You think I'd leave you down
When you're down on your knees
I wouldn't do that
Oh, I'll tell you you're right when you aren't, I, I
I, I, I
And if only you could see into me

Oh, when you're cold
I'll be there
To hold you tight to me
Oh, when you're low
I'll be there
By your side, baby
Oh, when you're cold
I'll be there
To hold you tight to me
And oh, when you're low
I'll be there
By your side, baby
Woo, ooh-ooh, ooh, ooh-ooh, ooh
Ow, oh-oh, oh
Ooh-woo, woo-woo, woo, woo
I'll be there, by your side
