

# Crowd Go Crazy

John Legend

Got it together (Woo)  
But that don't mean I'm too comfortable  
Yep, I see the weather  
It ain't all rainbows and pots of gold  
Yeah, I won't waste no minutes, the world ain't waiting on me  
Time to go start living and go give them something to see  
(Give them something to see)

Hey, hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we step in a room, hold on baby, the crowd go crazy

Hey hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we do what we do, hold on baby, the crowd go crazy

Let's take a moment  
The streets and singing and the sky is blue  
Yeah, the doors are open  
And everybody is getting in the mood  
I won't waste no minutes, the world ain't waiting on me  
Time to go start living and go give them something to see

Hey  
Hey, hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we step in a room, hold on baby, the crowd go crazy

Hey, hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we do what we do, hold on baby, the crowd go crazy

Hold on baby, the crowd go crazy  
Clap your hands, come on, clap your hands, yeah, clap your hands  
Yeah, 'cause you can do it, do it, do it like no one else can  
Clap your hands, yeah, clap your hands, come on, clap your hands (Woo)  
Because you can do it, do it, do it like no one else can

Hey, hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we step in a room, hold on baby, the crowd go crazy

Hey, hey  
We walkin' with a new attitude  
Hey, hey  
We fresher than a new pair of shoes  
Oh, Lord  
And when we do what we do, Hold on baby, the crowd go crazy  
  
Yeah
