

L-O-V-E

John Legend

L-O-V-E, love
It's easy to spell
And if you know it for yourself
Then everybody else
Well, they can tell

When L-O-V-E, love
Gets into your heart
It sparkles like a star
And everyone can see
How bright you are

Because love, love, love
Makes you feel better
Love, love, love
Keeps us together
Love, love, love
Warm like a sweater
Aren't you glad to know that you've got
Love

(Love, love, love, love, love)
(Love, love, love, love, love)

L-O-V-E, love
It's my favorite word
It sings out like a bird
The sweetest song I've heard
Sweeter than dessert

And L-O-V-E, love
It don't cost a thing
It's free for you and me
So you'll give love
And I'll give love
And we all can give our...

Love, love, love (love, love, love, love, love)
Makes you feel better
Love, love, love (love, love, love, love, love)
Keeps us together
Love, love, love (love, love, love, love, love)
Warm like a sweater
Aren't you glad to know that you've got

Love, love, love (love, love, love, love, love)
Makes your day brighter
Love, love, love (love, love, love, love, love)
Glows like a fire
Love, love, love (love, love, love, love, love)
Aren't you inspired
To live a life where
Every day is love

(Love, love, love, love, love)
Yeah, love, love, love (love, love, love, love, love)
Mmm, love, love, love (love, love, love, love, love)

Let's live a life where
Every day is...

L-O-V-E, love
It's easy to spell
And if you know it for yourself
You can give it out as well
So everybody else feels

Love, love, love (love, love, love, love, love)
Yeah
Love, love, love (love, love, love, love, love)
Ehhhh
Love, love, love (love, love, love, love, love)
Let's live a life where every day is
Love
