

So High

John Legend

D **A**
Baby since the day you came into my life
Bm7 **Gmaj7**
You made me realize that we were born to fly
D **A**
You showed me everyday new possibilities
Bm7 **Gmaj7**
You proved my fantasies of love could really be

D **A**
Let's go to a place only lovers go
Bm7
To a spot that we've never known
Gmaj7
To the top of the clouds we're floating away yeah
D **A**
Ooh this feels so crazy
Bm7
Oh this love is blazing
Gmaj7
Baby we're so high
D
Walking on cloud 9

D A Bm7 Gmaj7
(You've got me up so high) So high
(My shoes are scraping the sky) So high
(You've got me up so high) Oh
(My shoes are scraping the sky)

Maybe later we can go up to the moon
Or sail among the stars before the night is through
And when morning comes we'll see the sun is not so far
And we can't get much closer to God than where we are

We'll go to a place only lovers go
To a spot that we've never known
To the top of the clouds we're floating away yeah
Ooh this feels so crazy
Oh this love is blazing
Baby we're so high
Walking on cloud 9

(You've got me up so high) So high
(My shoes are scraping the sky) So high
(You've got me up so high) Oh
(My shoes are scraping the sky)

Ooh...yeah
Ooh...oh hey

D7 A7sus4 Bm7 Gmaj7
Ooh this feels so crazy
Oh this love is blazin'
Baby we're so high
Walking on cloud 9
You got me up so high

You got me up so high
You got me up so high
My shoes are scraping the sky

You got me up so high
You got me up so high
You got me up so high
My shoes are scraping the sky ooh...ooh...
Yeah...

This is how love's supposed to be
This is how, this is how love's supposed to be, yeah
Let's go to the moon baby, ooh
Let's go to the moon baby, yeah
Let's go, go, let's go to the moon baby
So high...
