

Cold Turkey

John Lennon

A A7 D Am Bm7

D7 Am7 D7 Am

Temperature's rising

D7 Am7 D7 Am

Fever is high

D7 Am7 D7 Am

Can't see no future

D7 Am7 D7 Am

Can't see no sky

My feet are so heavy

So is my head

I wish I was a baby

I wish I was dead

Am C D A7 D Am D6

Cold turkey, has got me on the run

Body is aching

Goosepimple bone

Can't see nobody

Leave me alone

My eyes are wide open

Can't get to sleep

One thing I'm sure of

I'm in at the deep freeze

Cold turkey, has got me on the run

Thirty six hours

Rolling in pain

Praying to someone

Free me again

Oh I'll be a good boy

Please make me well

I promise you anything

Get me out of this hell
