Every Man Has a Woman Who Loves Him

John Lennon

Every man has a woman who loves him In rain or shine or life or death If he finds her in this life time He will know when he presses his ear to her breast

Why do I roam when I know you're the one Why do I laugh when I feel like crying

Every woman has a man who loves her Rise or fall of her life and death If she finds him in this life time She will know when she looks into his eyes

Why do I roam when I know you're the one Why do I run when I feel like holding you

Every man has a woman who loves him If he finds her in this life time He will know
