How do you sleep?

John Lennon

```
   Am       G6                F
1. So Sgt. Pepper took you by suprise
   E           E7                        Am
   You better see right through that mother's eyes
   Am                 G6                      F
   Those freaks was right when they said you was dead
   E           E7                   Am
   The one mistake you made was  in your head

   D                        Am
R: Oh.........how do you sleep?
   D                              Am
   Oh.........how do you sleep at night?

2. You live with straights who tell you you was king
   Jump when your momma tell you anything
   The only thing you done was yesterday
   And since you're gone you're just another day

R: Oh...

3. A pretty face may last a year or two
   But pretty soon they'll see what you can do
   The sound you make is muzak to my ears
   You must have learned something in all those years

R: Oh...
