

Nobody Loves You (when You're Down And Out)

John Lennon

D **E7**
1. Nobody loves you when you're down and out
G **D**
Nobody sees you when you're on cloud nine
D **E7**
Everybody's hustlin' for a buck and a dime
G **D**
I'll scratch your back and you scratch mine

D **H5+**
R: I've been across to the other side
Hmi **F#** **GF#**
I've shown you everything, I got nothing to hide
G **A** **D** **Hmi7**
And still you ask me do I love you, what it is, what it is
G **Gmi6** **D** **Hmi7**
All I can tell you is it's all show biz
G **Gmi** **D**
All I can tell you is it's all show biz

2. Nobody loves you when you're down and out
Nobody knows you when you're on cloud nine
Everybody's hustlin' for a buck and a dime
I'll scratch your back and you knife mine

R: I've been across the water now so many times
I've seen the one eyed witchdoctor leading the blind
And still you ask me do I love you, what you say, what you say
Everytime I put my finger on it, it slips away
Everytime I put my finger on it, it slips away

D
*: Well I get up in the morning and
D5+ **G A D**
I'm looking in the mirror to see, ooo wee!
D
Then I'm lying in the darkness and
D55+ **G A D**
I know I can't get to sleep, ooo wee!

3. Nobody loves you when you're old and grey
Nobody needs you when you're upside down
Everybody's hollerin' 'bout their own birthday
Everybody loves you when you're six foot in the ground
