

# Well Well Well

John Lennon

Well, well, well, oh well  
Well, well, well, oh well

I took my loved one out to dinner  
So we could get a bite to eat  
And though we both had been much thinner  
She looked so beautiful, I could eat her

Well, well, well, oh well  
Well, well, well, oh well

I took my loved one to a big field  
So we could watch the English sky  
We both were nervous, feeling guilty  
And neither one of us knew just why

Well, well, well, oh well  
Well, well, well, oh well  
Well, well, well, oh well

We sat and talked of revolution  
Just like two liberals in the sun  
We talked of women's liberation  
And how the hell we could get things done

Well, well, well, oh well  
Well, well, well, oh well

I took my loved one to a big field  
So we could catch the English sky  
We both were nervous feeling guilty  
And neither one of us knew just why

Well, well, well, oh well  
Well, well, well, oh well  
Well, well, well, oh well
