

# My Turn

John Lundvik

Breathe  
In and out  
I see clearer now

And I know  
Even though I'm scared this time  
How could I say no  
When everything I feel is right

So tell me baby  
Tell me that I'm ready to fly  
'Cause everything around me's saying  
"Smile, you'll be fine"

I ain't gonna miss it  
I ain't letting go  
It's my turn

Time  
Heart and mind  
Are ready to learn  
Here and now

And I know  
Even though I'm scared this time  
How could I say no  
When everything I feel is right

So tell me baby  
Tell me that I'm ready to fly  
'Cause everything around me's saying  
"Smile, you'll be fine"

I ain't gonna miss it  
I ain't letting go  
It's my turn

I know that I've been hidin'  
But I won't anymore  
There's nothing that can stop me  
I will stand 'till I fall

I ain't gonna miss it  
I ain't letting go  
It's my turn

(Oooooh, oooooh)  
(Oooooh, I can't say no)

I can't say no  
No, no

(Oooooh, oooooh)  
(Oooooh, oooh)

Breathe  
In an out

Yeeeeah  
So tell me baby  
Tell me that I'm ready to fly  
'Cause everything around me's saying  
"Smile, you'll be fine"

I ain't gonna miss it  
I ain't letting go  
It's my turn

I know that I've been hidin'  
But I won't anymore  
There's nothing that can stop me  
I will stand 'till I fall

I ain't gonna miss it  
I ain't letting go  
It's my turn
