

Say I Do

John Lundvik

Every day, every morning
Waking up to your smile
It ain't hard to understand
Why you're all out of patience
And I don't blame you
I should be asking for your hand

So tell me how to say, say, say that I do
Tell me that you need me close to you
I don't know why it's hard to say what is true, hey
So tell me, tell me baby would you, say I do?
Yeah-yeah...

Been a ride in a journey
And I'm craving for more
Guess we're part of a bigger plan, hmm-mmh
Let's not become complicated
Complicated at all
'Cause I'm in it for life

Tell me how to say, say, say that I do
Tell me that you need me close to you
I don't know why it's hard to say what is true, hey
So tell me, tell me baby would you, say I do?

Need to be close to you
Need to say what is true

Tell me how to say, say, say that I do
Tell me that you need me close to you
I don't why it's hard to say what is true
So tell me, tell me baby would you, say I do?
