Skeleton Bones

John Mark McMillan

Peel back our ribs again
And stand inside of our chest
We just want to love you
We just want to love you yeah

Peel back the veil of time
Let us see you with
Our naked eyes
We just want to love you
We just want to love you yeah

Skeleton bones
Stand at the sound
Of eternity
On the lips of the found
Yeah and grave stones roll
To the rhythm
Of the sound of you
Skeleton bones
Stand at the sound
Of eternity
On the lips of the found
Yeah so separate those doors
And let the sun
Of resurrection in

Oh let us adore
The son of glory dressed in love
Open up your gates before him
Crown him
Stand him up

We want your blood to flow inside
Our body and
We want your wind
Inside our lungs
We just want to love you
We just want to love you yeah

Skeleton bones
Stand at the sound
Of eternity
On the lips of the found
Yeah and grave stones roll
To the rhythm
Of the sound of you

Skeleton bones
Stand at the sound
Of eternity
On the lips of the found
Yeah so separate those doors
And let the sun
Of resurrection in

Oh let us adore the son of glory
Dressed in love

Open up your gates before him
Crown him
Stand him up

Everything that breathes
Everything that breathes yeah
Everything that breathes
