

May You Never

John Martyn

May you never lay your head down without a hand to hold
May you never make your bed out in the cold

You're just like a great and strong brother to me and you know
that I love you true
You never talk dirty behind my back and I know there are those
that do
Won't you please, won't you please, won't you bear in mind
Love is a lesson to learn in our time
Please won't you please won't you bear in mind for me
May you never lay your head down without a hand to hold
May you never make your bed out in the cold

and you're just like a good close sister to me and you know that I l
ove you true
You hold no blade to stab me in the back and I know there're th
ose who do
Won't you please won't you please won't you bear in mind
Love is a lesson to learn in our time
Won't you please won't you please won't you bear in mind for me
May you never lay your head down without a hand to hold
May you never make your bed out in the cold

You're just like a great and strong brother of mine and you kno
w that I love you true
You never talk dirty behind my back and I know there are those
that do
Won't you please, won't you please, won't you bear in mind
Love is a lesson to learn in our time
Won't you please won't you please won't you bear in mind for me

May you never lose your temper if you get hit in a bar room fig
ht
May you never lose your woman over night
May you never lay your head down without a hand to hold
May you never make your bed out in the cold
May you never lose your temper if you get hit in a bar room fig
ht
May you never lose your woman over night
