

## Sweet Honesty

John Martyn

Talk of making love  
Take your time to bluff your way to stay  
Let me use your eyes  
Please don't muse with words  
That cut me down to size.

With your lovely mind  
Never taking time  
To treat a woman kind  
You remain to me  
A vision of  
Sweet honesty  
Sweet honesty  
Sweet honesty  
Sweet honesty.

Do I need to say  
Let time, wiser with surprise for borrowing your eyes  
Morning sets the scene  
And though you stay  
The more you go from me, it seems.

With your lovely mind  
Never taking time  
To treat a woman kind  
You remain to me  
A vision of  
Sweet honesty  
Sweet honesty  
Sweet honesty  
Sweet honesty that's what you are.

Talk of making love  
Take your kind to bluff your way to stay  
Let me use your eyes  
Please don't muse with words that cut me down to size.

With your lovely mind  
Never taking time  
To treat a woman kind  
O, listen to me now  
You remain to me  
A vision of  
Sweet honesty  
Sweet honesty  
Sweet honesty  
Sweet honesty.

Sweet honesty, sweet honesty  
Sweet honesty, sweet honesty  
Sweet honesty, sweet honesty.

That's what you are  
That's what you are  
That's what you are  
That's what you are.
