

Big Dumb Man

John Maus

Big dumb man
Big dumb man is singing hate and sadness
Big dumb man is singing about fear
And big dumb man, he's different from the rest of us
Big dumb man thinks that his friends can

Big dumb man cannot convey any emotion
Big dumb man cannot convey any impression outside pretension
And self-pity 'cause no one cares

Big dumb man
Big dumb man, he's talking about logic
And big dumb man, he thinks he can compose
And big dumb man, he's different from the rest of us
And big dumb man thinks that his friends can

Big dumb man cannot convey any emotion
No, any emotion
Big dumb man cannot convey any impression

Bereft of sadness
Bereft of sadness
Bereft of sadness

Bereft of sadness
Bereft of sadness
Bereft
