

Decide Decide

John Maus

We go home
I haven't decided your move, babe
No, I haven't decided the way home
Oh, I haven't decided, though
Due to you, I should choose you, you and me
It's a dream to dream, to dream
To dream to choose, to choose you
To dream to choose to choose home
Home, girl

Home...
I haven't decided the way home
No, I haven't decided the way
Oh, I haven't decided
To dream, to dream, to dream
To dream, to choose, to choose you
To choose home
Home, girl
To dream, to dream (dream of [?])
To choose, to choose home
Home, girl
