

## It's time to get a job

John Maus

That's it, I've had enough  
It's time to get a job  
I need money for bills and stuff  
It's time to get a job  
It's time to get a job

In exchange for money  
You will trade your very soul

That's it, I've had enough  
It's time to get a job  
I need money for bills and stuff  
It's time to get a job  
It's time to get a job
