

Let Me Through

John Maus

Let me through, let me through
Somebody's gotta let me
Somebody's gotta let me through
Somebody's gotta let me through
Somebody's gotta let me
Somebody's gotta let me through
Somebody's gotta let me through
Somebody's gotta let me
Somebody's gotta let me through
Koalas put a jinx on you
Koalas put a jinx on
Koalas put a jinx on you
Koalas put a jinx on you
Somebody's gotta let me
Somebody's gotta let me through
