John Maus

Come on!  
She pretty pretty, she's pretty with it  
My kitty is pretty  
My Molly in the city  
Come on!

She's in the city, she's in the city  
The city, the city, the city, my Molly in the city  
Come on!

It's such a pity she's in the city  
My pretty, my pretty, my Molly  
My Molly in the city  
Yeah, come on! huh

I will hold you in my arms  
I will hold you in my arms tonight  
I will hold you in my arms  
Again again and again  
For the first time  
And again for the first time  
Again, again

Oh she pretty pretty, she pretty with it  
I get it, so pretty  
My Molly is in the city  
Oh come on!  
She's in the city and she too pretty  
I get it, it's busy  
Busy 'cause she's living in the city  
Come on!
