

Out Of Time

John Maus

We're not doing it for love, we're not doing it for love
Well, our life is on the line and we're running out of time
Not doing it for love
We're not doing it for love
Well, our life is on the line and we're running out of time
Not doing it for love
We're not doing it for love
Well, our life is on the line and we're running out of timeNot
doing it for love
We're not doing it for love

We're not doing it for love, we're not doing it for love
Well, our life is on the line and we're running out of time
Not doing it for love
We're not doing it for love
Well, our life is on the line and we're running out of time
Not doing it for love
We're not doing it for love
