

Reconstruct Your Life

John Maus

This is where the darkness ends
And the pain begins
Begin the part
To reconstruct your life

Tear it apart
So you can reconstruct your life
When they tear it apart
You can reconstruct your life

We're reconstructing our lives
Yes, we're all, we're all constructing our lives
We're all reconstructing our lives
Yes, we're all constructing our lives

Reconstruct your life
Reconstruct your life
Reconstruct your life
Reconstruct

We're reconstructing our lives
Yes, we're all, we're all constructing our lives
We're all reconstructing our lives
Yes we're all reconstructing our lives
