Running Man

John Maus

```
Run, Ben, run!
Run! Run! Run!
Keep running!
You'll live if you run!

I am I am the running man

Who loves you
And who do you love
Watch that screen for run
The running men run
Whitman, price, haddad
Some running men won
Number 1, the show
Where anything goes
It's my favorite fucking show!

I am I am the running man

He's sub-zero
Now, plain zero!

Who loves you
And who do you love
Watch that screen for run
The running men run
Whitman, price, haddad
Some running men won
Number 1, the show
Where anything goes
```
