

Shout

John Maus

Time to say "sa-soo" the night
The night I last to die
Time to say "sa-soo" and I
Am everlasting

I had a mouth to shout it out
Shout it in a noose new sound
Had an uncle as in its too loud
And an interest in them all flew guy
And they're drinking in a
Ooh, ooh

I had a mouth to shout it out
Shout it in a noose new sound
Had an uncle as in its too loud
And an interest in them all flew guy
And they're drinking in a
Ooh, ooh
