

This Is The Beat

John Maus

Give us the beat, we want the fucking beat
We don't have the beat, (you lie!) it's on the street
It isn't on the street, so you give us the beat
We don't have the beat, no one has the beat

La, la, la, la, laaaaaa
La, la, la, la.

This is the beat that beats the lies,
This is the beat that beats the lies,
This is the beat that beats the lies,
This is the beat that beats the lies

Now we have the beat, I knew we'd get the beat
Yes you have the beat, it's very neat
But can you hear the beat? Yes, can you hear the beat?
We can hear the beat, the fucking beat

La, la, la, la, laaaaaa
la, la, la, la

La, la, la, la, laaaaaa
la, la, la, la
