

There's a hero living at 2401  
And all around  
A family circus in the sun  
Got his mothers  
Working while you're having fun

Tryin' to change the system  
Many things that must be done

Where did moon go?  
Better call the GTO  
In the red room  
Pam is planning where to go  
Gail and Pauline  
Who is prowling 'round your door?

A maniac, The Raven  
Could he have his gun back now?

2401  
Got myself a place to stay  
On the railroad  
Kansas nearer every day  
Miss Christine  
Cooking looking very gay

How d'you say a 'Thank You'?  
How d'you ever tear yourself away?
