Accidental Suicide

John Mayall

Well, I want to say a thing or two regarding Jimmy Hendrix
It seems to be a case of accidental suicide
But out of all the sadness they stopped to hear the warning
He had an overdose and never knew the way he died

Drugs may bring you joy, but the danger there's that they destr
oy
So watch what you do or you can be the next to go

Don't let me sound like I'm standing here preaching you a sermo
n
When everybody has to find a way to ease the strain
No one but you has control enough to check confusion
You gonna need your mind clear before you get to change the wor
ld

Drugs may bring you joy, but the danger there's that they destr
oy
So watch what you do or you can be the next to go
