

Another Man

John Mayall

Another man done gone
Another man done gone
Another man done gone, another man done gone, another man
done gone
On the country farm
He's on the country farm, on the country farm, he's on
the country farm
Another man done gone
Another man done gone, another man done gone, another man
done gone
I don't know his name
Didn't know his name, I didn't know his name, I didn't
know his name
