

## Dancing Shoes

John Mayall

I got a fine tuxedo  
A pair of dancing shoes  
I'll pick you up, honey  
Take you downtown and cruise  
Won't you dance with me, honey  
Take you anywhere you choose

You look so fine  
You got style in your evenin' clothes  
In your high heel shoes  
Sexy legs shinin' through your hose  
Won't you dance with me, honey  
Wild as the four winds blow

You're lookin' so pretty  
All the men seem to stop and stare  
Gonna rock 'em and sock 'em  
And knock 'em out everywhere  
So dance with me, honey  
Crank it up loud and clear

Now it's two in the morning  
And we're gonna get homeward bound  
Seen all the action  
Seen all the moves in town  
Dance again, honey  
Call me up and I'll be round
