

Drifting Blues

John Mayall

I'm drifting and drifting, like a ship out on the sea
I'm drifting and drifting, like a ship out on the sea
I ain't got nobody in this world to care for me

If my baby would only take me back again
If my baby would only take me back again
You know I'm good for nothing and I haven't got no friend

I give you all my money, tell me what more can I do
I give you all my money, tell me what more can I do
You're just a good little girl but you just won't be true

I said bye bye baby, baby bye bye bye bye
You're gonna be too late baby, I'll be so far away
