

## John Lee Boogie

John Mayall

Gon' tell you a story, stick around  
A man I know found us out  
John Lee Hooker, he's the boogie king  
If you have music, hear it ring  
John Lee Boogie, king of the boogie  
John Lee Boogie, oh, do the boogie  
Just clap your hands, tell your friend  
Raise your voices till the end  
Groove into it, stomp your feet  
John lee boogie, can't be beat  
John Lee Boogie, king of the boogie  
John Lee Boogie, oh, do the boogie  
Feel that spirit in your soul  
Boogie children, let it roll  
That's my story, hear me say  
For John Lee Hooker, boogie king  
John Lee Boogie, king of the boogie
