

## Long Distance Call

John Mayall

You say you love me darlin'  
Please, call me on your phone sometime  
You say you love me darlin'  
Please, call me on your phone sometime  
When I hear your voice  
You know it'll ease my worried mind

One of these days  
I'll show you how nice a man can be  
One of these days  
I'm gonna show you how nice a man can be  
I'm gonna buy you a brand new Cadillac  
If you only speak some good words about me

Hear my phone ringin'  
You know it sounds like a long distance call  
Hear my phone ringin'  
You know it sounds like a long distance call  
When I picked up my receiver  
The party said there's another mule kickin' in your stall
