

## Separate Ways

John Mayall

I see a change is coming to our lives  
It's not the same as it used to be  
And it's not too late to realise our mistake  
We're just not right for each other

Love has slipped away left us only friends  
We almost seem like strangers  
All that's left between us are the memories we shared  
Of times we thought we cared for each other

There's nothing left to do but go our separate ways  
And pick up all the pieces left behind us  
And maybe someday, somewhere along the way  
Another love will find us

Some day when she's older, maybe she will understand  
Why her mom and dad are not together  
The tears that she will cry when I have to say goodbye  
Will tear at my heart forever

There's nothing left to do but go our separate ways  
And pick up all the pieces left behind us  
And maybe someday, somewhere along the way  
Another love will find us  
There's nothing left to do but go our separate ways
