Sitting Here Alone

John Mayall

Well, I hurt so bad, baby
Won't you give me one more chance
One more chance with you?

Well, I feel so bad, baby
Won't you give me one more
Chance with you?

Way you're breakin' my heart
Well, I'm sittin' here all alone
And I just don't know what to do

Well, I know we had a quarrel, baby
Well, I'm sittin' here and tryin' to figure out
What's went wrong

Yes, I know we had a quarrel, baby
Well, I'm still tryin' to figure out, figure out
Figure out, figure out what went wrong

[?] left me here so bad
And, darlin', I miss you at home where
Where you belong

Well, I've been lookin' for the postman
Well, I hope you'll write one sweet letter
Write one sweet letter to me

I've been lookin' out that window for the postman
And, baby, I hope you'll write one sweet, sweet letter
Sweet, sweet letter to me

Well, I'm sittin' 'round here, hurt so bad
And 'til you come back, baby, that's where [?]
Got no choice but to sit here alone, babe

That's where I'm gonna be
That's where I'm gonna be, yeah
