Brought my baby back

Streamline
Did she pay her fare
Streamline
Did she pay her fare
Did she realize
That I really care

Hey, streamline man
When she brought her ticket home
Did she ever tell you
That she left me own my own
Streamline
Coming down the line
Streamline
I'm so glad she's mine

When she walked out this morning
Didn't even say goodbye
Won't you tell me baby
What's the reason why
