

## What Have I Done Wrong

John Mayall

Oh baby, what have I done wrong  
So tell me, what have I done wrong  
You packed up for yourself  
And you left your happy home

Oh baby, you know I feel so bad  
Ah baby, yeah, I feel so bad  
If you got somebody else  
You know how to drive me mad

I cried, I cried that night in jail  
Yeah, I cried, I cried that night in jail  
And I haven't been myself  
Ever since you ran away

Baby, try me  
Won't you try me one more time  
Won't you try me  
Try me just one more time  
Well, I swear I'll be the good guy  
Or if I don't, I'm gonna lose my mind
