

# Changing

John Mayer

I am not done changing  
Out on the run, changing  
I may be old and I may be young  
But I am not done changing

I met me someone changing  
We had some fun changing  
Sometimes I wonder if she'll be the one  
When I am done changing

Some of us stopped running  
Some of us went home  
Some of us don't got one  
So we'll build one of our own
