

# Heartbreak Warfare

John Mayer

Lightning strike  
Inside my chest to keep me up at night  
Dream of ways  
To make you understand my pain

Clouds of sulfur in the air  
Bombs are falling everywhere  
It's heartbreak warfare

Once you want it to begin  
No one really ever wins  
In heartbreak warfare

If you want more love  
Why don't you say so?  
If you want more love  
Why don't you say so?

Drop his name  
Push it in and twist the knife again  
Watch my face  
As I pretend to feel no pain, pain, pain

Clouds of sulfur in the air  
Bombs are falling everywhere  
It's heartbreak warfare

Once you want it to begin  
No one really ever wins  
In heartbreak warfare

If you want more love  
Why don't you say so?  
If you want more love  
Why don't you say so?  
Just say so

How come the only way to know how high you get me  
Is to see how far I fall?  
God only knows how much I'd love you if you let me  
But I can't break through it all  
It's a heart, heartbreak

I don't care if we don't sleep at all tonight  
Let's just fix this whole thing now  
I swear to God we're gonna get it right  
If you lay your weapon down

Red wine and Ambien  
You're talking shit again  
It's heartbreak warfare

Good to know it's all a game  
Disappointment has a name  
It's heartbreak, heartbreak

It's heartbreak warfare

It's heartbreak warfare
