

Message In A Bottle

John Mayer

Just cast away
And I am lost at sea
Another lonely day
And no one here but me
More loneliness
Than any man could bear
Rescue me
Before I fall into despair

I send an SOS to the world (2x)
I hope that someone gets my (3x)
Message in a bottle (3x)

A year has passed since
I wrote my note
I should have known it
Right from the start
Only hope can
Keep me together
Love can mend your life but
Love can break your heart

I send an SOS to the world (2x)
I hope that someone gets my (3x)
Message in a bottle (3x)

Walked out this morning
I don't believe what I saw
A hundred billion bottles
Washed up on the shore
It seems I'm not alone at
Being alone
A hundred million castaways
All looking for a home

I send an SOS to the world (2x)
I hope that someone gets my (3x)
Message in a bottle (3x)
