

## Old Love

John Mayer

I can feel your body  
When I'm lying in my bed  
There's too much confusion  
Running 'round through my head

It's making me so angry  
To know that the flame will always burn  
When will I get over?  
When will I ever learn, ever learn?

Old love, leave me alone  
Old love, go on home

I can see your face  
But I know that it's not real  
Just an illusion caused by  
How I used to feel

And it's making me so angry  
Knowing the flame will always burn  
When will I get over?  
Come on, when will I ever learn?

Old love, leave me alone  
Old love, go on home

Old love, love  
Old love, old love
